Due to demand, we had to offer more of some of our favourite events in 2012 such as our Annual Harvest Work Day & Lunch and tried out some brand new ones such as our first, very own Stampede Breakfast and an Okanagan Falls Winery Association "Party in the Park". Lots of fun!

### **NEED A LAST MINUTE GIFT IDEA FOR THAT SPECIAL SOMEONE?**

Check out our brand new **Noble Ridge WINE CLUB**. This is a first for Noble Ridge. No membership fee, discounts on wine and access to library wines no longer sold to the general public, special events for Club members are just a few of the highlights. Go to [www.nobleridge.com](http://www.nobleridge.com) and click on Wine Club to learn more and get started. We will send your lucky gift recipient a special Christmas card acknowledging you and your gift. While you are at it, why not treat yourself?

As of today, we are also launching our brand new website at [www.nobleridge.com](http://www.nobleridge.com). If you have some time over the holidays, check it out as we have all kinds of fun and "noble" ideas planned. It should make learning about our wines, our events, our people as well as staying connected to Noble Ridge and related organizations much easier. We expect that you will want to check it out regularly in the New Year to see the latest wine offerings, new activities and resources as they come on stream.
